

## 508C Sonic Tension Meter Warranty, Service, & Certification

Gates warrants the meter to successfully operate for a period of two years from the date of manufacture:

- Gates will repair or replace meters, at our discretion, at no charge within the warranty period.
- Sensors are not warranted.
- Meters damaged by misuse or abuse, at Gates discretion, are not covered by the warranty.

For repairs outside of the warranty period, Gates offers a meter repair service:

- Repair estimates are available, before work is completed, but Gates must evaluate the meters in house.

Meter accuracy certification (traceable) is available:

- Upon certification, meters will be returned with a sticker and certificate verifying accuracy.
- Meter certification is not covered under the warranty. Contact an authorised Gates distributor for current certification rates.

In order to return meters for warranty repair, non-warranty repair, or accuracy verification:

- Contact an authorised Gates distributor for assistance.
- Do not return meters to Gates without prior approval and a completed warranty claim form in the box.
- Gates takes no responsibility for any meters returned to the wrong address or without a warranty claim form.
