

DRIVEN BY POSSIBILITY™

BLADERUNNER™

DUAL LAYER FABRIC WRAPPED BELT WITH ARAMID CORD

Gates® premium BladeRunner™ belts provide exact OE fit, construction and performance when installed on leading lawn, garden and outdoor power equipment.

CONSTRUCTION + SPECIFICATIONS

- Aramid tensile cord & robust cordpacks provide greater shock load resistance for engaging deck drives.
- Dual layer fabric wrap for abrasion resistance and longer life.

APPLICATION COVERAGE

BladeRunner™ OE fit includes coverage for Snapper, Toro, Exmark, MTD, Murray, Bobcat, Ariens, John Deere, Gilson, American Yard, Allis-Chalmers, Homelite, Husqvarna, Lawn Boy, Cub Cadet, Sears, Simplicity, Troy, Rotary and more.

FEATURES + BENEFITS

- Meets or exceeds the performance of the OE belt on the equipment that it is applied to, which reduces costly downtime and labor associated with belt replacement.
- Heavy-duty cord-packs with dual layer outer fabric wrap withstand the rigorous start/stop operation of outdoor power equipment.
- Exact fit to ensure smooth engagement of clutch and reduced harshness of operation.
- Various constructions (V, Cogged, Synchronous) available to suit different applications.
- Superior performance over standard fractional horsepower belts on recommended applications.
- Wide range of SKUs available - see Gatesaustralia.com.au to find the exact belt for specific lawn & garden applications.
